

Valentine's Drawing Prompts

14 days to Valentine's Day · Monday, February 1 to Sunday, February 14, 2027

Any medium. Color in the heart when you finish a day. Skipping or doubling up is fine.

1
MON FEB 1
A heart with a face
Give it a mood: shy, delighted, or a little dramatic.

2
TUE FEB 2
Two coffee cups, heart-shaped steam
The cups can almost touch. Keep the steam loose and simple.

3
WED FEB 3
Lovebirds on a branch
Two birds close together. A few leaves are enough for the branch.

4
THU FEB 4
A love letter with a wax seal
Show the folded paper, a ribbon, and a stamped seal. You do not have to write the letter.

5
FRI FEB 5
A 'bee mine' pun card
A friendly bee and a short pun. This one is made for a handmade card.

6
SAT FEB 6
A bouquet, just picked
A handful of stems, not a florist shop display. Let a few petals drop.

7
SUN FEB 7
A pet valentine
Your pet, or a dreamed-up one, with a small paper heart or bow.

8
MON FEB 8
A Galentine's table
Friendship, not romance: snacks, mugs, and a couple of empty chairs pulled close.

9
TUE FEB 9
Two mugs on a windowsill
Winter light, two different mugs, maybe a plant between them.

10
WED FEB 10
A conversation-heart candy
One candy, close up, with a short message you invent.

11
THU FEB 11
Hands or paws, linked
Two hands, mittens, or paws holding on. Crop in tight.

12
FRI FEB 12
A card still being made
Scissors, scraps, a half-glued heart, and a mess you are happy about.

13
SAT FEB 13
A box of chocolates
Lid off, one empty paper cup, a ribbon slipping off the corner.

14
SUN FEB 14
A portrait of someone you love
A friend, a partner, a pet, a family member, or yourself. Keep it kind.
